

# NEW MED

## COMPANY PRESENTATION

“

Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do greatwork is to love what you do.

Steve Jobs

**Sava Mitic**  
**Owner & CEO**

# ABOUT US

New Med is an independent, privately owned company founded in 2008. to provide a wide range of high-quality services to bio and pharmaceutical companies for the region of South East Europe.

1

*understands the market's needs*

2

*provides competent services*

3

*creates the best solutions*

4

*offers a different approach focusing on long-term relationships*

**QUALITY BEFORE  
QUANTITY**

# HIGHLIGHTS

Improving the lives of families is what drives us.  
The search for innovative solutions to disabling conditions is at the heart of everything we do. Increased life expectancy is making the pursuit of our inspiring vocation more vital than ever: finding effective therapeutic solutions for every health condition in a baby, child, woman of all ages, man...

## OUR VISION

## OUR AMBITION

We aim to be among the top pharmaceutical companies in Serbia and Region, in terms of growth and profitability. We want to be respected above all for our strategic model, our success, and the commitment of our teams towards patients.
